### **GENERAL FUND MILL LEVY**

This ballot should be marked with an "X" in the square before the words "FOR the Additional Levy" if you wish to vote for the additional levy or mark an "X" in the square before the words "AGAINST the Additional Levy" if you oppose the additional levy. Roberts Public School No. 5 of Carbon County, Montana.

Shall the board of trustees be authorized to impose an increase in local taxes to support the general fund in the amount of NINETY-FIVE THOUSAND DOLLARS (\$95,000) per year which is approximately 30.42 mills, for the purpose of maintaining and operating the General Fund for FY25?

Passage of this proposal will increase the taxes on a home with a market value of \$100,000 by approximately \$41.07, on a home with a market value of \$300,000 by approximately \$123.20, and on a home with a market value of \$600,000 by approximately \$246.40. An increase in property taxes may lead to an increase in rental costs. The durational limit of the levy is permanent once approved by the voters, assuming the district levies that amount each year thereafter. However, lowering over-BASE tax levies in any year will lower the amount of permissively over-Base levies in subsequent years.
